Spring Program and Art Fair

Our students will be divided into two groups for the program this evening on April 29th. Kindergarten through 4th grades will begin at 6:30, while the 5th through 8th grades will be at 7:30. Each portion of the program will be about 30 minutes.

Doors will open at 6:00. With there being two separate groups and preschool having their program on a separate day, remember that we will have **no early bird seating**. If you are coming in for the second half only, we ask that you respectfully remain quiet in the hallway until the first group is done.

Reminder regarding attire—please have your child wear clean blue jeans and a bright spring colored solid t-shirt. NO decorations, writing, or logos on the front.

Students' art work will be displayed throughout the building (rather than just in the cafeteria) so that family and friends can view the art either before or after the program.

May 2nd-6th is Teacher Appreciation Week. We are excited to spoil our teachers! Planning is well underway. Please check Fast Direct for messages from your class reps!

We have received some glowing thank you notes over the past few weeks and wanted to be sure and share them with both the church and school families.

Dear St. Paul's,

On March 18th the two grandmothers of one of your preschool students attended Grandparents' Day. It was a lovely day and experience. What a pleasure! Thank you for reaching out to the children ("...for as such is the Kingdom of Heaven...") and for reaching families as well.

Through the year we have seen our grandson maturing, in no small part to the school and our Heavenly Father! Easter has come and gone and we were amazed with how much of the Easter story he retained to share with us. Much of Luke 22-24 was recalled and he was able to answer many questions and lay it out to us. What a foundation on which we can all build!

We will continue to be prayerful for your ministries. Please share these thoughts and prayers with your staff and the school!

Sincerely in Christ,

The family of a

Dear St. Paul's School & Church family,

Thank you for the outpouring of love and prayers during one of the most difficult seasons of our lives. Thank you for the cards, flowers, and most of all, your prayers.

Ballantine

Dear St. Paul's Lutheran School,

Thank you so much for inviting Phil Zielke to speak in your chapel recently. He enjoys sharing his testimony and the mission of Phil's Friends.

Thank you also for the donation of blankets made by your students and others, along with your generous chapel offering of nearly \$360. We can't continue our mission without friends like you! Thank you so very much for all of your support!

Blessings to you in 2022!

In hope,

The Phil's Friends Team
