

# *SERVICE OF HOPE & COMFORT*

*Dear Friends in Christ,*

*Christmas . . . It's the most wonderful time of the year!*

*For many it is. For some, Christmas may be a very difficult time of the year - difficult because of the loss of a loved one through death, the loss of health due to illness or injury, the loss of employment or the loss of a marriage.*

*It is difficult enough trying to go on with life, let alone trying to celebrate the Christmas holiday, especially when your heart aches because of the empty chair at the table, because a long-familiar voice is now still, because your body seems to revolt against you because of disease, because the depression is too much to bear, or because loneliness surrounds you even in a crowd.*

*It is at such times that we not only need to take the time to acknowledge our sadness and concern, but we also need healing, comfort, and hope as only God can give. He wants us to know that we are not alone nor are we without hope.*

*For these reasons, you are invited on Wednesday, November 15th at 7:00 p.m. to come and hear God's Word, to meditate, and to join in singing hymns and carols of comfort and in praying for healing and hope. This service will take place at St. Paul's Lutheran Church in downtown Kankakee (348 East Merchant Street). If you have questions or need directions, please call the church office at 932-0312.*

*Please accept this invitation to be with us - a time to move from feeling low and alone to knowing the wonder and hope of Christmas.*

*There is no need to RSVP - our doors are open to all who come. Please feel free to invite others to come with you as your support or, if you know of others who are having a difficult time at Christmas, please let them know that they are most welcome.*

*In the service of Christ and His people,*
