Please check the school/lunch calendar for all athletic games/meets!

BELSON SCORE PROGRAM begins **MONDAY, SEPTEMBER 23!!!** Please continue collecting your clean aluminum cans and either bring them to the school or directly to Belson. Remember to mention St. Paul's if you bring them there! Belson will pay cash for the cans and our school will score one point for each pound of recycled cans. *Partnership Hour Opportunity*: We have accumulated a ton of aluminum cans in the school garage and need someone to bring them to Belson next week! Contact Mrs. Olney if you have a truck and are willing to haul cans.

SCHOOL PHOTO RETAKES AND SPORTS PHOTOS: The school photo proofs from last week have been emailed to all parents. If you want your kiddo to get a retake on **September 24**, please let Mrs. Olney know! Sports photos will be that same afternoon for cross country, girls basketball, and soccer.

TRUNK OR TREAT: Save the date for Sunday, October 27th from 3-6 p.m. for our family-favorite Trunk or Treat! We are including some Oktoberfest flavor by serving brats and hot dogs grilled by Mr. Porter. There will be a bounce house and fun games as well as an autumn-themed photo booth. This is a fantastic opportunity for our school and church families to mingle and get to know each other!

Please join us for the LWML Fall Gathering and OCC Packing Party on Saturday, October 5th at the school. The day begins with a light breakfast at 8:30 followed by devotions, and the box packing will begin at 10:00. Please come and help share the love of Jesus with the children who will receive these gifts!

PARTNERSHIP HOURS: You have until May 15 to complete your hours. Here is how it works: at the start of the school year the full charge gets put in, which is \$20 multiplied by your number of hours. When you submit your hours monthly to the school office via the green sheets in the school entryway or by email, those hours come off your balance, until eventually your balance goes back to \$0. Please contact Mrs. Olney with any questions about this process!
